**Friends
of the Library**

Membership Form

Consider supporting the **Library Media Center** at Maggie L. Walker Governor's School this year by becoming a new or renewing *Friend of the Library*. Your contribution will help enhance our collections of digital, print, and audiovisual resources, and support library programs and services.

As a *Friend of the Library*, you will be able to borrow books and CDs from the library, access many of the online databases to which we subscribe from the library's desktop computers, attend library programs (such as the *Library Lunch Bites* workshops about tech tools related to research and/or reading), and receive updates about library news and services.

Please feel free to visit the MW Library's blog available at <http://mwlibrary.wordpress.com> to familiarize yourself with the many ways in which the MW Library supports teachers and empowers students to become independent researchers and lifelong learners. You'll find resources for parents on the **Parent Resources** page (see the link on the left menu of blog).

Thank you for your contribution and support.

Sincerely,

Wendy Sellors
